

THE DEVELOPMENT AGENCY OF BARANYA COUNTY
invites you to the

Awareness Raising Event of
INTERREG V-A B LIGHT PROJECT

You wish to introduce a new product, technology or service?
You have an idea that can be successful abroad?
You seek resources for product development?
If yes, you should come to our awareness raising event.

WHAT CAN YOU APPLY FOR?

Cooperation for small and medium size companies
with their seat along the Hungarian-Croatian border in the following topics:

- participants should jointly develop a common cross-border technology or added value
 - develop a cross-border product or service
 - jointly enter to foreign markets

WHO IS AN IDEAL APPLICANT?

- Company has its seat or premise in Baranya County.
- Company has at least one closed business year.
- Company owns a non-agricultural, marketable idea or product.

WHAT IS THE FORM OF FUNDING?

- Non repayable fund.
- Maximum 75% EU contribution of eligible costs.
- 40.000 EUR to 180.000 EUR budget per partner.

During the Awareness Raising Event, our colleagues introduce the aims and activities of B Light project and the opportunities of SMEs in the project as well as the content of the 2nd Call.

Our SME advisors introduce the experiences of the 1st call, the eligibility criteria of applicants and the methods of finding partners. Following the introductions there are possibilities for questions and answers as well as for personal consultation with our advisors.
